IKFEN GYO Faalivet Raporu | 2024

Overview of Akfen REIT

Akfen REIT's total equity reached €644 million as of the 1st Quarter of 2025.

Founded in 1997 and converted into a real estate investment partnership in 2006, Akfen GYO has achieved significant growth in 17 years with the "Contemporary City Hotels" concept it launched in 2007. The company's portfolio currently includes 19 hotels, 1 resort village, 2 dormitories, 1 plot of land, 1 office building, and an elderly care project in Florida, USA. Among our ongoing projects, Terminal Kadikoy is scheduled for completion in the second quarter of 2025, while Bodrum Yalikavak is planned for completion in the fourth quarter of 2025.

Following the initial public offering in 2011, Akfen REIT shares began trading on the Istanbul Stock Exchange on May 11, 2011. With an effective circulation ratio of 44.17%, Akfen REIT's share closing price at the end of the first quarter of 2025 was 1.96 TL (closing market value: 7.64 billion TL / 186 million euros). Akfen REIT is currently traded on the Star Market, BIST Financial, BIST REIT, BIST Buyback, and BIST All-100 indices.

From Hotel Investments to Portfolio Diversification

Akfen GYO has developed Novotel and Ibis Hotel brand hotel projects in Turkey and Russia and has leased a total of 19 hotels, 15 in Turkey and 4 in Russia, to Accor Group, one of the world's largest hotel operators, on a long-term basis. Akfen GYO's portfolio also includes the 5-star resort Bodrum Loft located in Bodrum. As of December 31, 2024, the total number of rooms in the 19 hotels owned by Akfen GYO is 3,342.

In addition to its hotel portfolio, Akfen REIT has an office building in Russia, two dormitory complexes consisting of a total of 13 blocks in Turkey, one factory investment, and a land investment of approximately 210 m² in Bodrum Eskicesme Mah. Akfen REIT continues its sustainability-focused projects without slowing down.

Akfen REIT Net Asset Value

Akfen REIT Total Real Estate Value

While constructing a food and beverage and culture-art center in Istanbul Sogutlucesme and luxury villas in Bodrum Yalikavak, a tourism facility in Milas Kiyikislacik, and preparations are underway at full speed to launch a senior care center project on approximately 6 acres (approximately 24.3 acres) of land in the state of Florida, USA.

Strategic Partnership with Accor

Akfen REIT, which entered into a strategic partnership with Accor, one of the world's leading hotel chains, in 2005, has signed long-term lease agreements for 19 hotels it has

opened in Turkey and Russia, thereby securing regular and predictable rental income.

The agreements between Akfen REIT and Accor regarding its hotels include a minimum guarantee condition for Akfen REIT's rental income. Rental income is determined as the higher of a certain percentage of turnover or adjusted hotel gross profit. This sharing arrangement offers both a minimum income guarantee and the potential for income growth based on hotel performance.

Akfen REIT's Bodrum Loft Holiday Village is operated by Akfen Tourism, while the dormitory complexes are managed by the Student Housing Institution.

Financial Strengthening

The company has continued to strengthen its financial structure in line with its vision of reducing financial debt and strengthening its financial structure, and as a result, the financial debt figure decreased by 2% to €93 million as of the end of the first quarter of 2025 (December 31, 2024: €95 million) thanks to the positive cash flows achieved. As of March 31, 2025, the number of employees at Akfen REIT and its subsidiaries is 24 (December 31, 2024: 44).

- The "AKFGY" share began trading on the BIST Sustainability Index for the period from October 1, 2023, to December 31, 2023.
- The application to increase the issued capital from 1.3 billion TL to 3.9 billion TL through a 200% paid-in capital increase was approved by the Capital Markets Board at its meeting on December 7, 2023.

AKFEN GYO Faaliyet Raporu | 2024

- **2024** Within the company's registered capital ceiling of 6.5 billion TL, the issued capital of 1.3 billion TL was increased by 2.6 billion TL (200%) to 3.9 billion TL through a fully cash-based capital increase, utilizing the pre-emptive rights of existing shareholders. The pre-emptive rights for the issued shares with a nominal value of 2.6 billion TL were exercised over a 15-day period from December 14, 2023, to December 28, 2023. Following the exercise of pre-emptive rights, the remaining shares with a nominal value of 9,296,716.21 TL were sold on the Borsa Istanbul Primary Market over two business days, January 2-3, 2024. The public offering process was completed as of January 3, 2024.
 - The company decided to increase its current registered capital ceiling to 50 billion TL for the years 2024–2028. In this context, Article 8 titled "Capital and Shares" of the company's articles of association was amended as outlined in the appendix. Necessary applications were made to the Capital Markets Board and the Ministry of Trade to obtain the required approvals, and other legal procedures were completed.
 - On January 17, 2024, all shares of our subsidiary Akfen GT were transferred for a total consideration of 73,000,000 USD plus a variable amount. The financial asset sale transaction was finalized upon receipt of the payment. This cash receipt significantly improved the company's net debt position. After using the proceeds to repay a loan (approximately 30 million euros) and other debts, the company's financial obligations were substantially reduced, contributing significantly to its financial sustainability.
 - JCR Eurasia Rating Agency upgraded the company's long-term national institutional credit rating from "AA- (tr) / Stable" last year to "AA (tr) / Stable" (very high credit quality) this year.
 - The credit used by Akfen Real Estate Investment Trust Inc. and its subsidiary Akfen Karakoy Real Estate Investments and Construction Inc. for their investments in the Republic of Turkey, with a remaining balance of 53,166,145.39 euros from Credit Europe Bank N.V., was refinanced through a loan agreement with Turkiye Vakıflar

- Bankası T.A.O. with an 84-month term and improved commercial terms. The closing of the refinancing was completed on May 24, 2024.
- The company participated in an auction conducted by the Bodrum (Sulh Civil Court) Execution Office for the sale of a plot of land located in Mugla province, Bodrum district, Eskicesme neighborhood, parcel no. 811/23. The auction was won by the company for 9,000,000 TL, and the property was registered in the company's name on July 22, 2024.
- As announced in the company's Public Disclosure Platform (KAP) statement on August 2, 2024, the closing transactions for the indirect investment of 4,686,932.45 USD for a 43% stake in EO AT Fountains, LLC were completed. The 43% shares of EO AT Fountains, LLC were transferred to Bafra Real Estate Investments (Florida), Inc., in which the company holds all indirect shares.
- The Ankara Provincial Directorate of Environment, Urbanization, and Climate Change issued a decision stating that an Environmental Impact Assessment (EIA) is not required for the Esenboğa Novotel (175 rooms) project planned in Ankara's Akyurt district, Balikhisar neighborhood (parcel no. 215057/10). The decision was communicated to the company via a letter dated October 7, 2024. The EIA process for the company's "Tuzla Novotel (150 rooms)" project was also completed with a similar decision stating that an EIA is not required.
- Shares with a nominal value of 1,221,670,260 TL, representing 31.32% of the company's capital owned by Akfen International Holding B.V., were sold to Akfen Holding A.Ş. at a price of 2.00 TL per share with a nominal value of 1 TL under the Bulk Sale and Purchase Procedures.
- All 25,611,697 shares owned by the company in Akfen Karakoy Real Estate Investments and Construction Inc. were sold to Akfen Güney İşletme A.Ş., a 100% subsidiary, at a unit price of 28.61 TL as determined by an independent valuation report dated November 14, 2024.

To replace the section related to the new fund usage area dated August 21, 2024, the funds originally planned for the Tersane Hotel Project (830 million TL) as stated in the Fund Usage Report were reallocated. Considering the final evaluations, increased costs, and risks associated with the Tersane Hotel Project, the funds were instead allocated to the Yalikavak Villa Project and the Tuzla 2 Hotel (Tuzla Novotel) Project, which are already included in the Fund Usage Report. The Fund Usage Report was amended as outlined below.

New Fund Usage Areas Due to the Abandonment of the Tersane Hotel Istanbul Project

Fund Usage Location (*) Fund Usage Ratio

Yalikavak Villa Project 70%-80%

Tuzla 2 Hotel

(Tuzla Novotel) Project 20%-30%

(*) Up to 10% flexibility is allowed between fund usage items if needed..

Akfen REIT, which has been implementing high-quality projects in the real estate sector, aims to maintain its reliable position in the industry by ranking among the top REITs in Turkey in terms of net asset value.

Mission

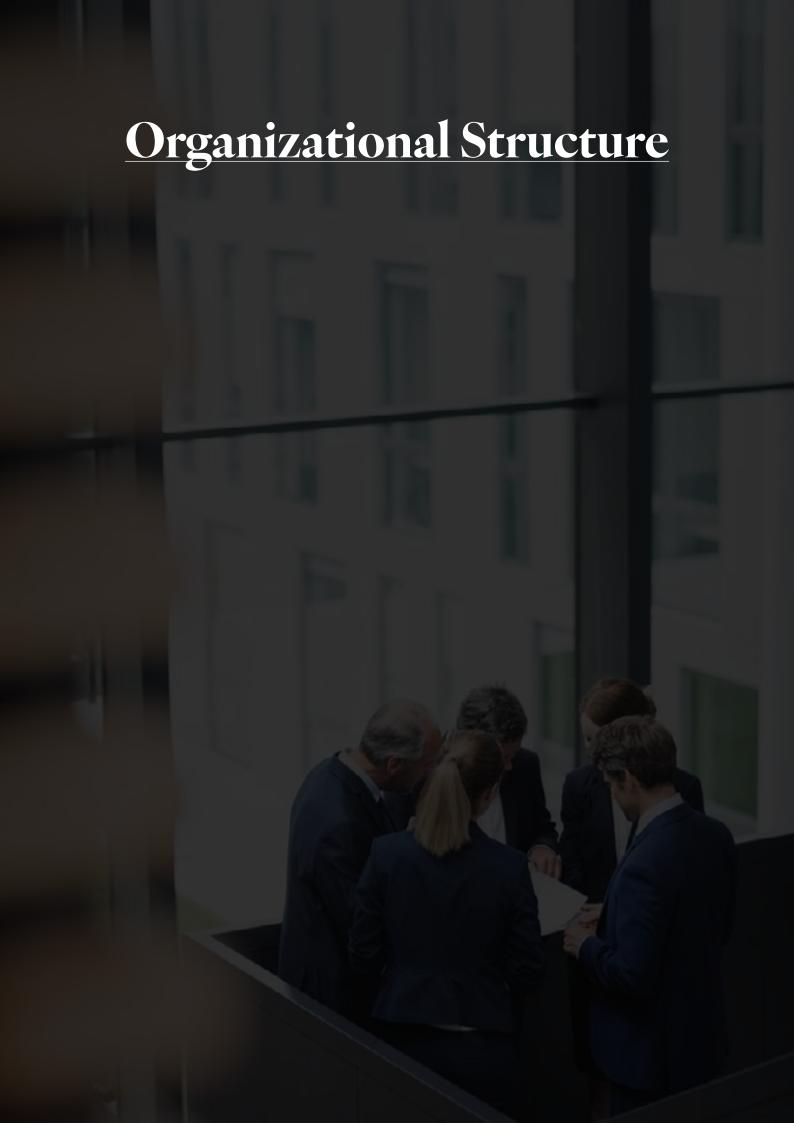

Akfen REIT has made it its mission to continuously increase the regular rental income generated from its strong equity and high-quality portfolio, while elevating the size and value of its portfolio to a higher level. In doing so, the company is committed to providing transparent information to its shareholders.

Strategy

- Earlier dividend distribution with reduced debt and increased revenue
- Growth in revenue and profitability through new investments without additional financial burden
- Evaluating new real estate investment opportunities with high profit margins that will increase portfolio diversification
- A growing portfolio with sustainable cash flow through long-term contracts and new asset acquisitions expected to increase profitability in the long term
- Increased trading volume and liquidity as a result of increased actual circulation
- Potential to make new investments and repay loans early with rapidly decreasing net debt/EBITDA contribution and increasing cash surplus due to operational profitability
- Stronger balance sheet and income statement with rapidly growing assets and profitability, minimal currency risk and high EBITDA margin driven by low operational/overhead expenses
- Increase in net asset value, potential to create more value in the future with the transition from premium to discount

Operational and Financial Performance

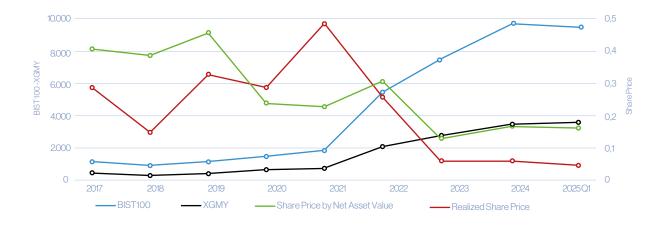

Akfen REIT has significantly strengthened its financial position with a 102% increase in net income in the first quarter of 2025. These successful results have increased our total assets to TL 34.4 billion.

Strong cash flow has strengthened our financial structure

In addition, our strong cash flow further strengthened our financial structure in the first quarter of 2025. As a result, our equity rose to €644 million, while our financial debt decreased by 2% compared to the end of the year to €93 million.

Our net profit for the period reached TL 727 million in the first quarter of 2025, showing a significant growth of 102% compared to the previous period.
